

THANK YOU!

To everyone who helped make our 10th Anniversary Sale a success!

WINTON & WOLCOTT FAMILIES WITH HIGH-SELLER WALL-ST MCCUTCHEM RUTHIANA (VG-88, 2Y)

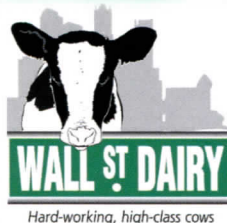

We would like to express a sincere Thank You to everyone who attended and participated in our 10th Anniversary Sale on October 21st. We appreciate the support of family, friends, fellow breeders, and dairy enthusiasts who helped make the day so memorable. To the buyers, we wish you the very best with your purchases. To all the bidders, thank you for your confidence in our cattle. To Dave & Merry Rama, the sale staff, the fitting crew, and all those who helped prepare and care for the cattle, we appreciate everything you did to make our sale lineup look their best. We would also like to thank Michael McCaffrey for his counsel over the past decade on many topics and his assistance in planning and preparing for this sale. We'd also like to acknowledge John Wadsworth for his assistance in promoting the sale via our website and Michael Walker for taking such great photos of our cattle over the years.

To our fellow Chautauqua County Holstein Club members, both seniors and juniors, we are grateful for your presence and everything you did that led to our successful sale. In particular, we would like to thank Howard Ivett, Dennis Carlberg, Bob Crowell, Tom Sears, and Frank Walker, highly-respected and admired retired Holstein breeders in our area, for your counsel over the years and for attending the sale and your kind support.

Many have asked as to the future of Wall Street Dairy. Our mission to breed high-type, high-producing cattle will continue with the nucleus of cattle we still have on the farm. We hope to utilize IVF and conventional flushing to build upon and intensify the deep pedigrees of our remaining cows and heifers while supplementing with cow families we will be acquiring. As always, your interest and visit is most welcome.

Again, THANK YOU to everyone who contributed to a memorable 10th Anniversary event! See you at our 20th Anniversary Sale in 2027!

Gratefully,
The Winton and Wolcott Families
