

Thank you and rest in peace, Anne

Spring-Fed Mr. Sam Anne (2E-91)

We lost one of our favorite foundation cows on August 11. Anne was among the first animals we purchased from Nelson and Susie Hector at Spring-Fed Holsteins, and she was a major contributor to the milk tank, in the show ring, and in the calving pen over the years.

One of the three daughters she leaves behind on Wall Street, **The-Street Dundee Alma VG-87**, is our beautiful junior three year old in our show string this summer and we appreciate all of the kind comments that we have received from judges and fellow breeders alike. Anne's other two young daughters, **Wall-St Buckeye Angela** and **Wall-St Sanchez Annie**, are showing great promise and no doubt will carry on Anne's legacy.

Anne also has three granddaughters in the herd, all out of Alma. These include a yearling, **Wall-St Buckeye Almond**, and her June 2012 twins, **Wall-Street Braxton Almudena-TW** and **Wall-St Braxton Almira-TW**.

Anne's maternal sister, **Spring Fed Fabulous Aggie VG-87**, is another cornerstone of the Wall Street herd.

We will miss Anne and we appreciate everything that she did for our breeding program. We are comforted by the presence of her offspring who will remind us of this great cow every day.
