Sired by Innisfall Red Ruben, Amber's dam is **Ourway KP Alisha (VG-87)**. Fresh again with a **Lands-Brook Clancy** daughter in March, Amber looks tremendous and has fast become a herd favorite after an active show career and being housed in the Midwest. Adding to Amber's unfolding story here are two very fancy March '18 ET heifer calves sired by **North Star Famous Patriot EXP**. Amber will be scored again in July and we are convinced she has more points in her!

The Holsteins at Wall Street Dairy were recently classified and we gained one new Excellent and several new Very Good cows for a BAA of 109.7. We also congratulate Toby & Missy Winton of Centalia Holsteins, co-owners with us on **Wall-St McCutchen Ruthiana** who scored EX-90, 91-MS at 3-05!

We are so pleased by the good reports of cattle purchased in our 10th Anniversary Sale last October and we welcome your interest in the cows, heifers, and calves who are writing the next chapter at Wall Street Dairy.
