ME 24,867M – 87 lbs. on latest test & on service to Tatoo.

Sired by Bradnick, Avril was fresh in April and was scored just fresh. Since then, she has continued to develop beautifully and we are excited about the future of this outstanding young cow. Her dam, **Wall-St Alexander Avery-ET (2E-91, EX-MS)**, has already surpassed 100,000M to date and is fresh again at 7-03 and milking 103 lbs. 4.2% f 2.8% p. The next dam is our foundational **Spring-Fed Shark Attack (4E-93, EX-MS)** with records to 1251f and over 164,000M lifetime, followed by 4 more VG & EX, long-lived dams.

It has been a great show season for Wall Street Dairy so far. At the Chautauqua County Fair, we had Junior Champion Milking Shorthorn co-owned with Bob Nagel and Zachary Wolcott had Reserve Grand Champion Milking Shorthorn. At the Big 6 Show, **Firewall Elegant Flower-Red** (Jordy x Merrillea Malone Ellie (VG-88) from the Ridgedale "E" family), was 2nd spring calf in a class of 22. Flower is owned with Blackfire Cattle Care. **Wall-St Diamondback Elvira** (Diamondback maternal sister to Ellie) was 1st summer yearling and she is owned with Al & Jo Merrill.

Your visit to see the herd & inquiries about Wall Street genetics are always welcome!
